

NCWRC Registration

- Seaturtle volunteers in NC will register using the NCWRC website: <https://nc-wild.org/volunteer/>
- Registration takes only 2-3 minutes, it's super easy! This site is also where the state is asking us to log our volunteer hours.
- Once you complete your registration, you can download the app right on your phone to log your hours real-time right on the beach!
 - You can also log your hours from your computer if you don't want to use the app.
- They have easy tip sheets for everything, including how to log your hours. This is a very user-friendly website, and we know you all will enjoy getting to see your hours as you go through the season!
- All volunteers must earn a minimum of 25 hours **on the beach participating** in PISTP activities to qualify to be invited back next season (and to be invited to the end of season volunteer appreciation party).
- **New volunteers that reach 50 hours on the beach participating in PISTP activities (in their 1st season) qualify to receive their 1st patrol shirt free after completing orientation to participate in their 2nd season with PISTP.**
- All other new volunteers may purchase their 1st patrol shirt after accumulating 50 total hours **on the beach participating** in PISTP activities, and then completing orientation to participate in their next season with PISTP.
- **Exaggerating your time is not representative of a PISTP volunteer and may.**
